

Notes on Johannes Homrighausen

Generation 1

1. **JOHANNES¹ HOMRIGHAUSEN** was born on December 30, 1838 in Wunderthausen. He died on December 01, 1878 in Wheatland, Clinton, Iowa (St. Paul's Cemetery, Wheatland).

Notes for Johannes Homrighausen:

Appears to have come to America in July 1857 with his older sister, Maria (port of Baltimore, ship Itzstein and Welcker out of Bremen). Never married. He lived variously in Baltimore and Wheatland (with family). He became a prosperous man in his 39 years, leaving \$1,000 (in 1878 money!) to St. Paul's church among other bequests.
