

Descendants of Georg Gabriel Wetter-Schmidt

Generation 1

1. **GEORG GABRIEL¹ WETTER-SCHMIDT** was born on August 27, 1832 in Wunderthausen.

Notes for Georg Gabriel Wetter-Schmidt:

Born in Petersgrund near Wunderthausen. Came to America with his mother and (step?) father on the ship Palmer out of Bremen, landing in July 1834. He went by the Americanized name of George Smith. Some records show him married to a Eunice Hicks, but I do not believe this is correct. There was a George "Schmidt" married to Eunice, but he was born in Maryland according to Census records and our George most certainly came from Wunderthausen.
