

## Descendants of Georg Hermann Wetter

---

### Generation 1

1. **GEORG HERMANN<sup>1</sup> WETTER** was born on October 26, 1798 in Wunderthausen. He married Eliza Ann Furlong on November 01, 1827. She was born on December 11, 1806. She died on October 01, 1868.

Notes for Georg Hermann Wetter:

Born in Petersgrund near Wunderthausen. Heinrich Imhof gives 1818 as the year he went to America. A George Herman was naturalized in 1818; the record says he was 25 which is off by a couple of years. It is not clear how many children they had. There were seven as of the 1840 Census (which does not show names). Six children are living in the "Whetter" household in 1860, but three were born after 1840. At least ten is a reasonable guess.

He was not the George Wetter who died in 1872 per someone's Sons of the American Revolution application.
