

## Notes on Johann Henrich Wetter-Braun

---

### Generation 1

1. **JOHANN HENRICH<sup>1</sup> WETTER-BRAUN** was born on September 20, 1818 in Wunderthausen.

Notes for Johann Henrich Wetter-Braun:

He was apparently born at Petersgrund near Wunderthausen to his unmarried mother, Catherine Elisabeth Wetter. He is recorded under the name Johann Heinrich Braun as going to America in 1833 at the same time as the full family of Georg Gabriel Wetter (his grandfather). The latter family only stayed a few months. Being only 15 it is most likely that Braun returned with them. Yet there is no sign of him in later Wittgenstein records. It is not out of the question that he remained in Baltimore with his uncle, Georg Hermann Wetter.
